I am a self starter, a team player and person of strong personal values "Integrity and authenticity are important to me". I do what I can to continue to improve and be the best I can be at whatever I do.

INTERNSHIPS

Data Science Intern
Clustor Computing

Jan 2023 - Mar 2023 (3 months),   *Nagpur, Remote*
Achievements/Tasks

- I gained hands-on experience in the field of data science and learned how to use a variety of data science tools and techniques.
- I learned most important is storytelling because in data science storytelling plays a crucial role.
- I learned a lot about the data science field and how it can be used to solve real-world problems.
- Working hands-on with various programming languages and tools, such as Python, Power BI, Tableau, and proved to be a transformative experience.

Data Science Intern
Teachnook

Oct 2022 - Nov 2022 (2 months),   *Bengaluru, remote*
Achievements/Tasks

- This internship has been a fantastic educational opportunity. I've gained a lot of knowledge about agriculture, machine learning, and data science. I'm appreciative that I had the chance to work on this project.
- I learned about many Python libraries used for data analysis, including pandas, matplotlib, seaborn, and Numpy.
- accumulated significant data science experience a knowledge of data collection, cleaning, and analysis
- Models have been developed to increase crop yields, lower risk, and save money.
- I actively contributed to tasks like classification, regression, and clustering in the construction and evaluation of machine learning models. To attain great accuracy and precision, I used methods like Random Forest, Logistic Regression, and Gradient Boosting.

EDUCATION

Master of Computer Science,(CGPA:9.75),
B.K. Birla College, Kalyan

2021 - 2023, A+

Bachelor of Computer Science, (CGPA : 8.81),
K.M. Agrawal College, Kalyan

2018- 2021, A

SKILLS

- SQL
- Microsoft Excel
- Google Sheet
- Quantitative Analysis
- Python
- data visualization
- Qualitative Analysis
- Microsoft Office
- Power BI
- Machine Learning
- EDA

ACHIEVEMENTS

- Organised various programmes including participation in Techfest as internal collegiate event
- Organised various knowledgeable workshop like web development, python bootcamp, Cloud

PROJECTS

Data Science project: 2021-2022
- Dataset - Area Vs Prices analysis
- Dataset - fruit_data_with_colors analysis
- Dataset – IRIS analysis
- Dataset - Crop productions analysis

Power BI Project :   2023
- Sales data Analysis Dashboard
- House prize vs Area Dashboard
- Crop production Analysis Dashboard

MySQL Project
- Indian Population Census

CERTIFICATES

Foundations: Data, Data, Everywhere offered through Coursera

certificate Training of Web Development
6EE7B273-E710-BOF7-A6AD-8AC3 B68F3915
- Internshala Trainings

Certificate of Data Science Course Completion
75996563 - Teachnook

Introduction to Data Analysis using Microsoft Excel
- Coursera

Introduction to SQL - Simplilearn
3790263

INTERESTS

Dance, Choreography, Writing ,Trekking
